[Is there a convoy or group started that is heading down to DC in the greater Rochester area?](#)posted 18 days ago by [Chynaisasho](#) 🗨️ +8 / -1

Just wondering if there is a thread started for people in upstate NY, specifically the greater Rochester area, that are looking to head down to DC before the 6th. Going down there solo seems like a dumb idea between antifa, BLM, and the praetorian guard with badges. I don't want a pack of purple haired jackals sneaking up on me and giving me a bottom surgery. You watch my back and I will watch yours.

Early on there was a group that was going to leave starting at the top of 81 and heading south, hoping to pick up people at every onramp. I didn't save the details and can't readily find the post but if I see it again I'll try to PM it to you

Most of the serious planning for finding rides are done outside of TD.win due to how easy for the enemy to look at the plans and possibly disrupt.

Follow the instructions here and join us for planning:

After you joined, there will be a specific room for NY pedes to plan. Join that room.
